MR. Canty on the 6th day of the third month of the year 2017 makes this motion to the high Courts of the Ninth Circuit Pursuant to 28 U.S.C. 455(A), (B), (1) Specifically against James P. Donohue for trying to protect the Seattle Police Department and their officers, the City of Seattle, and King County and their employee's. Several officers who work for Seattle Police Department such as Timothy Renihan, Sean Colbertson, and Marshall Coolidge

P 1 of 2

Set MR. Canty up with Bogus Charges, tried to kill MR. Canty and then destroyed all of the evidence as noted on the Record at trial, before MR. Canty's trial MR. Canty filed the Civil Action in the Corrupt lower Courts asking for the Courts help regarding this very serious situation. MR. Canty could not believe what James P. Donohue, his Paralegals, and whoever else typed these responses to this very serious situation says. Then James P. Donohue tries to get out of his being bias by trying to blame MR. Canty. None of MR. Canty's issues are moot at all, MR. Canty is back in King County Correctional facility because now the Seattle Police Department want Revenge for the first case being dismissed with prejudice.

MR. Canty also sent a copy of the discovery ahead of time to the corrupt lower federal courts (Seattle). The States own discovery says the FBI, and US Marshalls' office is involved in this corruption. Not to mention the clerks of the courts (Seattle) are tampering with MR Canty's mail, and motions that he is sending in, these same clerks are also not sealing the envelopes that they're sending out, this is a fact, MR. Canty tested this theory out by contacting the Tacoma branch, and the Seattle branch is caught red handed in several lies, now it becomes fact !! based upon evidence.
